Ca-Mg-Fe

Calcium, Magnesium & Iron Additive

Net Weight 200g (0.44 lbs)

Makes 1 litre of liquid stock

10-0-20

Keep tightly sealed. Store away from direct sunlight and below 25°C (77°F).

Ca-Mg-Fe helps prevent calcium, magnesium and iron deficiencies. It is ideal for use with flowering plant species.

DIRECTIONS FOR USE: USE ONLY AS DIRECTED

Dose using either the Stock Concentrate (1) or Dry to Reservoir (2) method:

-1--Stock Concentrate:

Add to water at 200g/L (0.44 lbs/Qt)*. Stir well until fully dissolved. Store in a sealed container. Apply Stock Concentrate from seedling to harvest. Add to existing nutrient solution at 1.5-3ml/L (6-12ml/Gal; 0.15-0.3%) then stir well. Apply to plants at every watering.

-2--Dry to Reservoir:

Use from seedling to harvest. Add to existing nutrient solution at 0.3-0.6g/L (1.2-2.3g/Gal)* then stir well. Apply to plants at every watering.

**For best results, refer to Veg-1 dose chart at www.floramax.com. Measure accurately with calibrated equipment. To stabilize Stock Concentrate, add 1ml/L (1ml/Qt) of FloraMax System Maintenance.*

Metals: Information regarding the contents and levels of metals in this product is available on the internet at <http://www.aapfco.org/metals.html>

HYDROPONIC USE ONLY | F002742

EC Spec: 0.3g/L yields 0.36mS/cm

KEEP OUT OF REACH OF CHILDREN AND ANIMALS. WARNING: CAUSES EYE AND SKIN IRRITATION.

PRECAUTIONARY STATEMENTS: Hazardous to humans and animals. Causes eye and skin irritation. When mixing and applying wear suitable protective clothing, including gloves and eye/face protection. **CAUTION:** The application of fertilizers containing molybdenum (Mo) may result in forage crops containing levels of molybdenum (Mo) which are toxic to ruminant animals. **WARNING:** The use of fertilizer containing boron (B) on any crops other than those recommended may result in serious injury to the crop.

STORAGE AND DISPOSAL: Store below 25°C (77°F) and keep packet well sealed. Store away from incompatible materials. Do not contaminate waterways. Observe local legislation when disposing of contents/container.

FIRST AID: If in eyes: Immediately wash the eyes with large amounts of water for at least 15 minutes. Remove contact lenses. Immediately call a doctor. If swallowed: Rinse mouth, immediately give large volumes of water. Do not induce vomiting. Immediately call a doctor. If on skin: Wash with plenty of water. Call doctor if skin irritation occurs.
